### Minutes from the January 17, 2002 EVPA General Meeting

- Meeting was called to order at 7:30pm and the minutes from the previous meeting were approved.
- Committee reports were given after introductions. Highlights were:
  - The Treasurer's Report stated that the EVPA spent roughly as much money as was taken in through general receipts. The Triangle Park received a substantial donation from Wells Fargo, bringing the year-end TP fund balance to nearly \$11,500.
  - The Safety Committee announced the new captains of the Mission and Park SFPD stations. Captain Lawson is the new man at Park Station and Captain Corrales is heading up Mission Station. We hope to have them attend a future EVPA meeting.
  - The Membership Committee, in cooperation with the Utilities, Transportation and Neighborhood Commerce Committee (whew!) announced the First Castro Bubble Bath to take place February 3<sup>rd</sup>. Volunteers were asked to show up at the corner of 18<sup>th</sup> and Collingwood at 8am on the 3<sup>rd</sup> to help make the Castro clean and beautiful.
  - The Planning Committee asked for an opportunity to review the billboard restriction legislation proposed by SF Beautiful.
  - The UTNC Committee announced their recommendation that EVPA not support the proposed anti-billboard legislation.
  - President Gustavo Serina announced the formation of an ad-hoc committee to attend to the various new homeless plans that are coming out of City Hall. Plans are to meet with the supporting supervisors and report back to the EVPA Board.
- Eric Politzer from The Ark House gave a short presentation on the status of the program and its search for a new Program Manager. At the time of the meeting, The Ark House had 11 residents. Eric commented that relocation efforts for the program (they will have to move no later than March '03) are ongoing, and requested that anyone with info about possible sites, preferably in the Castro, contact him.
- New Business:
  - Board Member Drew Bertagnolli reported on the ongoing and seemingly endless plans to renovate the EVRC. Once again, the plans state that September '02 is a date where upon something will happen.
  - President Gustavo Serina and Herb Cohn gave a short report on the Superior Court's outreach meeting.
- The meeting adjourned at 9pm.
